## VideoSculptors

is honored to provide you with the opportunity to purchase professionally produced DVDs of the recital performances. Our single-performance package includes TWO DVDs packaged in one DVD case; one disc that includes edited footage from up to 4 camera angles and even incorporates close-ups from the dress rehearsals. The second DVD is a "Bonus Wide-Angle" disc and includes footage from one camera that frames the entire stage. This guarantees that every moment of your child's performance will be captured and immortalized on DVD. The 2-performance set includes all 4 DVDs (2 from each performance) packaged in one DVD case.
