For basic conversion:

- Specify up to 4 tape segments per DVD.
 - Tape segments **must begin at the start of the tape** (fully rewound).
 - Each tape segment concludes at the length specified, at the end of the tape (if no length is specified), or at the end of the DVD (if material exceeds 2:00).
 - Material specified **in excess of 2 hours** per disc will not be converted.
- Please mark your tapes with DVD number and program number (i.e. D1P3).
- Cost is \$18.00 per DVD, regardless of total DVD length used, less any pre-arranged discounts or specials.

I understand the limitations to the basic conversion service as described above. I also understand that VideoSculptors will diligently protect my original tapes with reasonable care, but that I cannot hold VideoSculptors responsible for loss or damage to my original materials caused by circumstances beyond their control.
